WEB TIDE 1965

Dedication

The staff of WEB TIDE takes great pleasure in dedicating this yearbook to our pleasant and efficient secretary. Not many people have devoted so much unselfish time and energy to help the students, faculty and staff of our school. Her patience, cheerfulness and willingness to help have inspired respect and gratitude from all of us at Webutuck. We would like to express our appreciation for the service and friendship of Mrs. Vera Tripp.

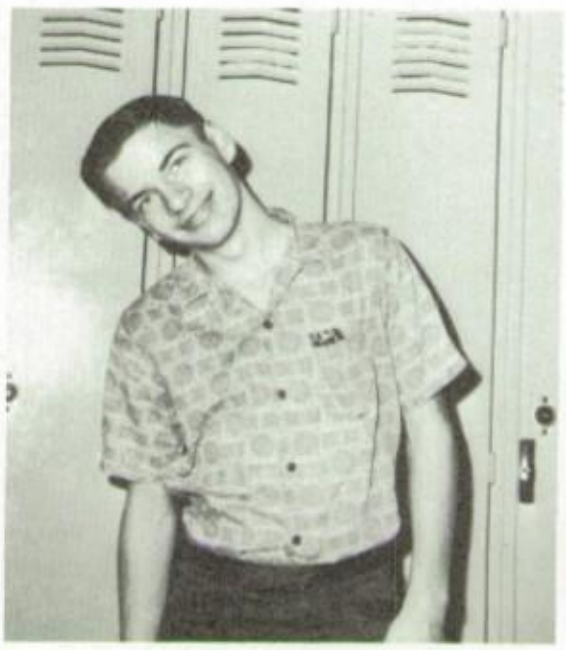
THOMAS EDWARD ACKERMAN

Although the name Ackerman comes first on the seniors alphabetical list, many people are inclined to forget about Tom because of his quiet and retired character. However, this does not imply that Tom hasn't done anything for his old Alma Mater. He has actively participated in sports and has long been a member of our F.F.A. chapter.

After Webutuck comes the Army for Tom where he can listen to the sergeants instead of the teachers. Say, Tom, can you actually call that a change of pace?



"There she is! Over there. The one you can hardly see!" This fits fun-loving, happy-go-lucky Brenda like a glove. No one has trouble recognizing her for she is characterized by her petite size. This doesn't stop Brenda, though. She is always ready to "take off" and do something to keep others as happy as she. People have often said that good things come in small packages. This certainly holds true in Brenda's case.

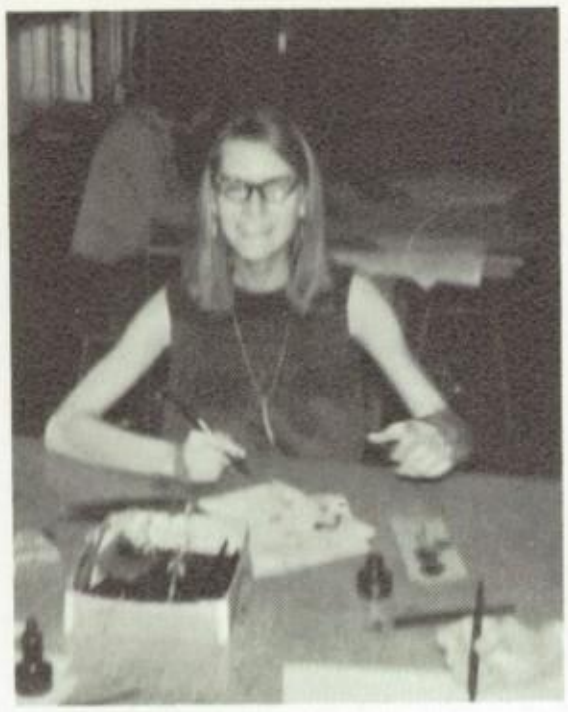
BRENDA JANE ALOAN



Lana is very interested in a career in the field of art. She has built a small studio for her work at home, and it is here that she spends most of her spare time.

Lana is also interested in dancing and music, and we hope that in one of her fields she finds success and happiness.

LANA AUDREY ANGUIN

DOREEN EDITH BARLOW

Doreen was one of the few lucky girls frequently visiting the Senior homeroom *last* year!

She enjoys being busy and takes an active part in many school activities. She has held many offices, and she can be depended upon to keep things running smoothly. Doreen has long been an active band member and she shows her musical talent by being a member of the high school chorus as well. She also finds time to participate in a number of sports. However, her favorite pastimes are horseback riding and just plain having fun.

If it weren't for Dorothy Provine, Liz would win first prize in dancing the Charleston. However, she does get a blue ribbon in class spunk. Her laughter and jokes at the "King" lunch table will never be forgotten.

One of Liz's main interests is art. She can always be seen doodling on any scrap of paper. Because of her talent, her many posters have been quite useful to several organizations.

Liz's individuality will never be forgotten by her classmates or her teachers!

YVONNE MARIE BERNITT

Yvonne is the only person in the class who can fill spiral notebooks at the rate of one per four study halls. She is constantly fooling the teachers as to the amount of homework she is doing by her concentration on these long works.

What time isn't spent writing, Yvonne uses for enjoying the companionship of her dogs and horses. Her half-Arabian yearling is her pride and joy.

She always seems to enjoy her classroom seat as long as it is near a window out of which she is always gazing. May her dreams come true in her future years.

MARIE SUSAN BIERCE

Marie is perhaps most noted for her dependability and very friendly ways. "Laugh and have fun" is her motto, and you will often see her driving her father's Chevy to the place where the most fun is.

Marie holds an interest in many things. They all fall in one large category—sports! She enjoys bowling, horses, skiing and any water sports. She especially likes competing in such interschool sports as volleyball and basketball. She says, "I like the thrill of the tension of the interschool games. You have fun playing *and* meeting new friends."

G.A.A. 3,4; Intramurals 2; Chorus 4; Basketball 3,4; Hockey 4; Volleyball 4.

DONNA M. BLANCHARD

Donna is characterized by her quiet mood while she is in school. However, outside of the schoolroom, Donna becomes a bubbling individual who merely wants to have fun. Her main interest is, as with many teenage girls, music, and she can quite often be found buying a new record to add to her collection.

Donna, who is interested in the welfare of others, would like to become a lab technician. After high school, she plans to attend college.

GEORGE EDMOND BOOTH

F.F.A. 1-4; F.F.A. Court of Honor 3,4; Varsity Club 4; Basketball 3.

George has always appeared to be a shy boy to outsiders, but when he is with his friends he is quite the opposite. The main thing in George's life is "cars, cars, and more cars." He likes Fords the most, "especially if they're fast", and can almost always be seen somewhere near one; he may be driving it, tinkering with the engine, or merely adding a final touch to its shine. Which ever it is, you can be sure he's happy.

George would like to become a mechanic, or perhaps even race cars at the strips. It is certain, though, that there will be a Ford around, a fast Ford.

Future Teachers of America 2,4, Secretary 3; Library Aides 1-4; Biology Club 4, Vice President 2; History Club.

EDWARD FRANCIS BRONSON

Everyone stood staring in amazement. "What's wrong with that bike? It's taller or something!" One of Eddie's favorite sports is hi-cycling. Any time Eddie can't get a way to his job at the First National, his gold hi-cycle is just the thing.

Eddie is a good student and always seems to come up with a new and unusual interpretation of a passage.

When he isn't doing school work, Eddie takes time out for bowling on the Millerton Dairy Queen Team.

After graduation, Eddie, hoping to have an opportunity to use his four years of French, would like to become a member of the Peace Corps.

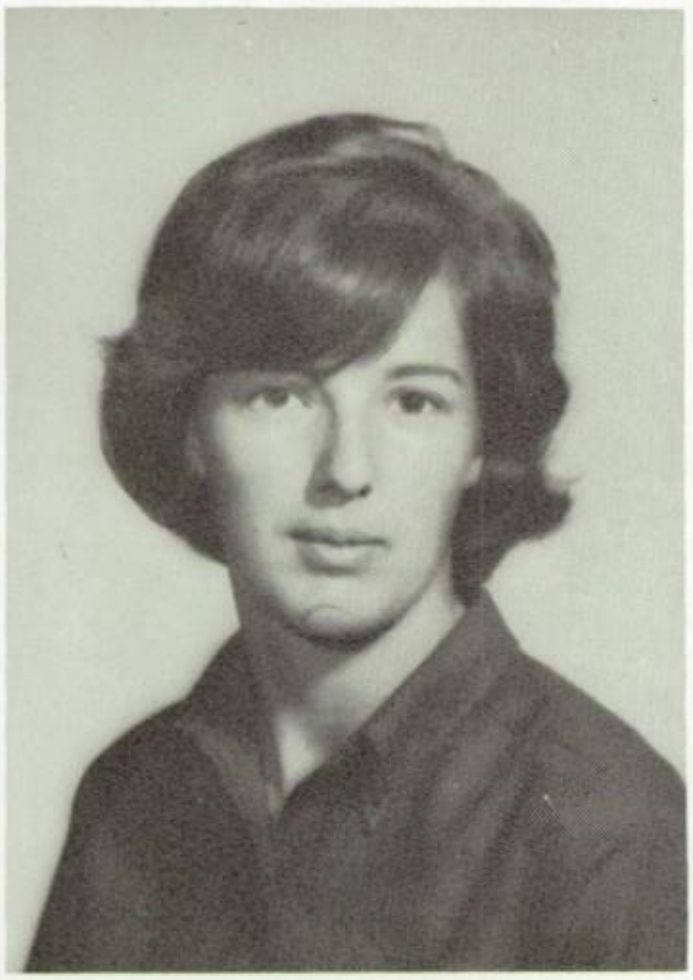
JAYNE FRANCES CAMPBELL

Jayne has always been a leader of her class. Her work is characterized by a conscientious effort. This ability to work as she does has helped Jayne to attain great high school success. It certainly has made her a most competent editor of Web-Tide this year. Another of Jayne's characteristics is her buoyant personality in which her cheery disposition is dominant.

During her Junior year, Jayne was accepted as a semi-finalist American Field Service student. Unfortunately, a home could not be found for her abroad, and she never did get across the ocean.



CATHERINE H. CARMAN

Cathy, known as "Cady" to her friends, was transferred to us this year from Pine Plains Central School. Although she thinks that Webutuck is much harder than Pine Plains, she truly enjoys the many friends she has here.

Cathy is a cheerful, sweet, and considerate girl to everyone whom she meets in the corridors. During her spare time, Cathy can usually be found attempting new recipes for her family. She also enjoys outdoor and farm life, as well as working at the Snack Bar in Amenia.

Transferred from Pine Plains Central High School. G.A.A. 4; Softball 4; Intramurals 4; Volleyball 4.

Weejy does well in everything she tries. She is Mr. Rovenolt's objecta conscia, or his "budding scientist". As a reward for her many efforts, she has been elected president of the National Honor Society, and has had the task of finding a time when at least five people can attend a Society meeting.

During her spare time in the warmer months, Weejy can be found sailing or swimming at Twin Lakes. During the winter, skiing consumes most of the times that school does not. Weejy plans to go on to college where she is sure to do well.

ELOISE MARY COLE

BRIAN SCOTT COOK

Among Brian's many interests are skiing, bowling, archery, and music. He is currently a member of the Webutuck Band and has an avid interest in the drums.

In school Brian is always prepared to add an interesting note to any topic, and his friends and teachers have noticed this characteristic with great pleasure. Brian plans to attend college after graduation. He is, in doing so, striving towards a career as an architect.

Prom Committee 3; G.A.A. 1,2, Treasurer 3, President 4; Softball 3,4; Intramurals 1-4; Student Leader Corps 1-4; Chorus 1,3,4; Drama Club 1,2,4; Basketball 1-4; Teen Aides 3, Secretary 4, Baseball 3,4; Volleyball 2-4.

BONNIE JANE COONS

"Come on, girls!" Bonnie would yell on the hockey field. This is just an example of Bonnie's terrific spirit.

Bonnie is always quick to think up something to liven up homeroom or Mr. Haaland's study hall. Her laugh distinguishes her from everyone else and can be heard at almost any time, anywhere.

Many girls envy Bonnie's beautiful black hair which is always shining and neat. But it's her sweet and warm smile that has won Bonnie her many friends.

CATHY JO CRAWFORD

Although she never has much to say in class, Cathy is very seldom at a loss for words between classes or after school. She is constantly laughing or talking and nothing seems to get her down.

When not working in the Millerton Store, Cathy can be found riding around in a black and white, hard-top convertible. Cathy is especially fond of the First National where she can be found buying olives and animal crackers even though she just bought a week's supply the day before.

No matter what the situation, though, Cathy can always make it seem unusually interesting.

Prom Committee 3; Teen Aides 3,4; Library Aides 2; Biology Club 2.

"Good things come in small packages" and here's Jan to prove it! Petite Jan is also thought to be shy but she's really not—quite the contrary.

Jan realized one of her fondest dreams in her senior year when she was unanimously elected President of the Teen-Aides. Jan has really put herself in this duty and made a fine organization.

Her Teen-Aide duties are a true reflection of her deep feeling for nursing which is the career she plans to pursue. Jan has the winning combination of a bright smile and a cheerful hello. Good luck, Jan!

JANICE MARY CULLIGAN

Chorus 1,3,4; Teen Aides, Secretary-Treasurer 3, President 4.

CHRISTINE MADLYNE CULVER

Chris can only be described as an allaround girl! The former queen of the FFA Fair was the treasurer of her Sophomore class and is treasurer of her Senior class this year. Though she enjoys driving her car, she knows how to handle one horse power as well. She is an excellent horseback rider and can be seen atop her black gelding, Sporty Mike, at most horse shows.

Chris isn't merely a good athlete. She has a radiant personality that seems to light up any room she is in. This personality is filled wtih a desire for friendship, a wish that has certainly been fulfilled.

ELAINE MARIE DAWSON

Student Leader Corps 2; Chorus 2; Drama Club 3; Teen Aides 3; Library Aides 1-3.

Elaine may be quiet in school, but she is no different from any other teenager when it comes to her free time. Elaine loves music and feels that dancing to one of the many records in her collection is one of the best ways to make dragging time fly. She also likes sports; basketball and baseball are among her favorites.

Elaine would like to become a dental hygienist. She hopes to be able to go to Dutchess Community College for training.

Teen Aides 3,4

Hidden behind all that quiet and reserve is a girl who has an interest in almost everything. Teen-Aides and her homemaking courses have been Theresa's main interests in school. She is especially fond of the work she does as a Teen-Aide as she hopes to perhaps pursue a career in nursing. If she cannot fulfill this desire, Theresa would like to further her education to become a teacher. Theresa babysits in her free time and also enjoys driving.

When you hear someone laughing, you know that Phyllis must be just around the corner. She has a wonderful sense of humor that seems to sparkle whenever she is among her many friends.

Phyllis' interests range from music to sports. She enjoys horsebackriding and attends many of the local horse shows. Phyllis shows her musical talent through being a member of both the high school band and the chorus.

PHYLLIS RACHEL DECKER

Yearbook, Photography Editor 3,4; Intramurals 3,4; Chorus 3,4; Basketball 1; Honor Society 3,4.

RAYMOND J. DELAMARTER

Everyone in business law class knows that Ray is a born fighter. No matter what the subject, he will always argue to the last gasp.

But believe it or not, Ray must be getting tired of arguing with live specimens which may explain his desired occupation: to be an undertaker.

Ray is a member of the National Honor Society, the Web-Tide staff, and the high school chorus. He is liked by everyone including students and teachers and will be missed in the future as much as he is liked now.

In school Janis is usually seen running around the hall offering her help to everyone. She always enjoys doing little, odd things for the teachers, and they always seem grateful to have her run errands for them.

At home, she is much the same generous person. She loves to knit and has done some beautiful work. Her brother's pool table in the recreation room is put into use almost as often as her knitting needles.

Janis would like to become a secretary, working in either Washington, D. C., or New York City.

WILLIAM ROY DOUGHTY, JR.

Mike joined the class of '65 in his Freshman year. It didn't take Mike long to make lasting friends among his teachers and fellow students.

Mike enjoys bowling and dancing, and he has participated in every available school sport. Mike also spends much of his free time weight-lifting and body-building.

Mike has been an important and outstanding asset to our class. Mike plans to attend college after graduation. The best to Mike, the All-American boy.

Don has been an outstanding member of the Senior Class this year. His work as Student Council president has made him a familiar figure to all. As president, Don has offered a number of excellent assemblies and dances to the student body.

Also in school, Don is interested in other activities such as the F.F.A. and sports. When not in school, his favorite pastime is hunting.

Gerry will always be remembered as the blonde-haired boy who was always driving around in an Imperial. Actually, though, he does enjoy other things, too, such as hunting and fishing.

Before classes in the morning, Gerry is usually in homeroom discussing yesterday's eventful moments or exchanging some little quirk of knowledge with his friends. After graduation Gerry would like to pursue a career in engineering.

Butch has been know to all during his years at Webutuck. He is characterized by his strength, which has come about primarily through his keen interest in weight-lifting and bowling. He excels in both these activities. He has a quick wit that is always in use whether the joke be on him or someone else. Butch has everyone for a friend and is a friend to everyone. He lives with the attitude that he will be a friend to anyone who wants to be a friend to him. Truly, the halls of Webutuck will seem quite different after Butch leaves them.

Throughout most of her school years Bev has remained a rather quiet girl. She does, however, participate in several activities. Bev especially enjoys her work as a member of Teen-Aides. She also enjoys the time she puts into being a member of the high school chorus. Outside of school, most of Bev's spare time is taken up by her part-time job at Millerton Super. After graduation, Bev plans to get some type of full-time work.

BEVERLY V. HARPP

Chorus 3,4; Teen Aides 4.

Sara is one of the quieter members of the Senior class. She enjoys being a part of our group and finds working on committees for the class a pleasurable task indeed.

In Sarah's mind, motorcycles may possibly be the best thing on wheels. Also during her spare time, she will be dancing, reading, or listening to records.

After graduation, Sara plans to go to night school where she will take some business courses. She would like to become a medical secretary.

WILLIAM JOSEPH HOFFMAN, JR.

Although usually a shy loner, Bill is very enthusiastic whenever cars are mentioned. A careful driver, he understands cars and what makes them go as well as the numerous things that make them stop. Among his other interests is his job at the Northeast Pharmacy.

Bill's perfect penmanship and great scientific knowedge have been objects of envy throughout school. May you have a profitable future, Bill!

CHARLES RICHARD KREILING

Intermurals 2,3; Basketball 1-3; Soccer 1-3; Class Secretary 4; Varsity Club 4.

It's quite common these days to see a blue convertible pull into the school drive at about 8:15 in the morning, just in time to make the bell. Behind the wheel, you'll find Charlie, a boy with all the likeable characteristics any guy could have.

Charlie, or Todd as most of his friends call him, spends a great deal of his time working on Coon Brothers' Farm as he has for the last seven years.

This year, Charlie has been kept busy as he is the president of both the F.F.A. and the Varsity Club. He also finds time to show dairy cattle and hunt.

The brother of B&B is C. At most times, Kraut can be found at his brothers' garage. When he is not there, he is usually driving around in his Ford pickup.

Charlie is the type of boy who could cut up in a morgue. With his great sense of humor, he has won his way to the hearts of his classmates and many of his teachers. Charlie is the all around guy for '65.

CHARLES H. LAWRENCE, JR.

Intermurals 1-4; Basketball 1-4; Court of Honor 3; F.F.A. 1,2,Vice President 3,President 4; F.F.A.Court of Honor 3, 4; Varsity Club, President 4.

George is probably the most "ambiguous" boy in the class of '65. George has been seen from summer to summer mowing lawns in 90° weather and shoveling snow in —20° weather. In school, George is well liked by everyone, and he always seems to have a cheerful word for his friends.

George participates in varsity soccer and baseball. On the soccer field he is one of Webutuck's most outstanding players. George's team spirit and good sportsmanship will surely be missed within the walls of Webutuck in years to come.

The boy with the smile and pleasant "hello" for anyone is Alan. When not in school or working at the Millerton Store, Alan can usually be seen with some of his many friends.

At other times, you will see Alan with either his new car or one of his parent's. Driving, you see, is first and foremost on Alan's list of favorite pastimes.

For Alan the future holds college and a trip "away from my sisters!"

ALAN LEWIS LINDSAY

Penny is one of the most energetic girls in the Senior class; she always seems to be filled with pep. Although Penny came to Webutuck only two years ago, she has rapidly become one of the outstanding students in the class.

Penny's excellence is also shown in her horsemanship. She was a champion at the Madison Square Garden Horse Show. It seems as though the many hours she spends in taking care of her ponies truly pays off.

PENELOPE KATHARINE LOEB

JACQUELINE MARIE LYLE

Whenever there is a party or gathering, Jackie is there. Her specialties are surprise parties, which are almost discovered, and "spur-of-the-moment" get-togethers. You can be sure that Jackie is always willing and able to help with a food sale or some other fund raising project.

It's fortunate that Jackie's father has a gas pump on the farm. This saves her a mint in gas money, since she always manages to have either the Chrysler or Scout.

In her future lies the career of a medical secretary. After graduation Jackie is going to attend Vermont College for her training.

Throughout school Ed has been noted for his great ability in the sciences and mathematics as well as all his other subjects. In the classroom Ed is usually quiet and attentive.

Among Ed's many interests is bowling. This year Ed bowls weekly for the Millerton Dairy and maintains a good average.

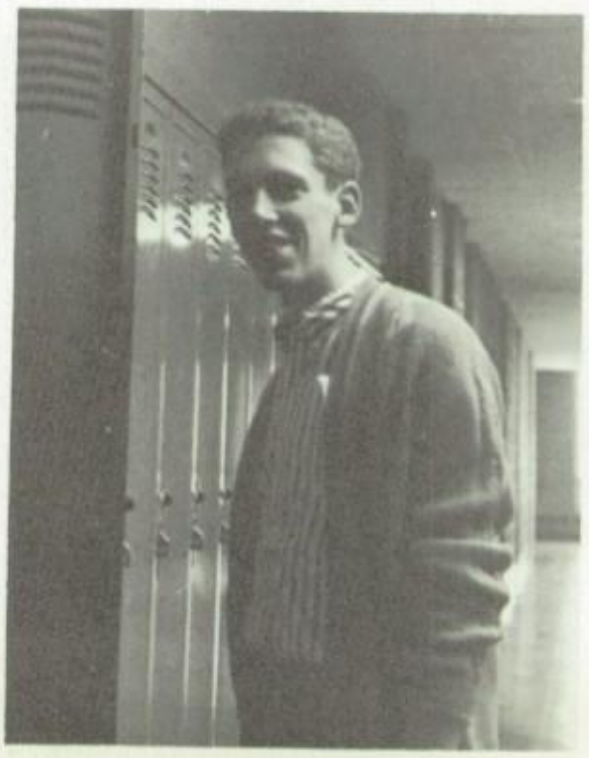
EDWARD JAMES MURNANE

Intramurals 4; Drama Club 4; Soccer 3,4; Radio Club 4; Varsity Club 4.

Tommy will always be remembered by his classmates and friends. A jovial laugh and congenial temperment are never lacking in this red-haired boy. He always seems to find fun somewhere, and of there isn't any, he makes it.

One of Tommy's main interests is sports. He has proved himself as a great soccer player through competition here at Webutuck. After graduation, Tommy would like to pursue a career in business.

THOMAS K. McENIFF



JAMES ALLAN MYLOCK

Intramurals 3,4.

Jim is often spoken of as the very shy, quiet type who needs just a little nudging before he becomes one of the crowd. In fact, he's so quiet that whenever he does talk, everyone listens, it seems unbelievable that he's actually saying something.

Jim's special interests, we hear, are basketball, cars, and "World G."

Mimi is the vivacious type who loves to have fun; she's always happy. A true friend to everyone, she sincerely tries to spread her happiness. "Active" is the word for Mimi. She enjoys many sports, including swimming and bowling, and she can be seen participating in them as the season permits. Also among Mimi's favorite pastimes is music. She enjoys singing and proves it by participating in the high school chorus. Lancing, too, is a frequent pleasure in her spare time.

After graduation, Mimi plans to further her education by attending Boston College.

Throughout every school year it has been a game to see what crazy thing Razz would do next. His great sense of humor and ability as our class clown have won Gerry many friends.

There is also a serious side to Razz. Now, in his senior year, he has proved to be a capable Student Council Representative.

Razz spends most of his free time at parties, dancing and having fun. A salute to Razz—the leader of the pack!

Being both the business manager of Web-Tide and cashier at the cafeteria keeps Gail as busy as a bee.

Her invaluable sense of humor always adds unexpected laughter and enlightenment to many of her classes at the most unusual times. As an excellent mathematician, Gail is envied by many of her classmates.

Outside of school Gail's interests include dancing to the latest hit tunes and visiting "friends" and relatives in Hartford.

Intramurals 4.

Though Mark is generally quiet during class, he is known to change when he is with his friends. Mark is dependable and a steady member of our class both in and out of school.

Mark has a wide range of interests. He enjoys almost everything from coin collecting to athletics. After graduation, Mark intends to further his education at Albany Business College where he hopes to train for a career in data processing.

ROBERTA ANN ROTHSTEIN

Prom Committee 3; Yearbook 3,4; Smoke Signals 1; G.A.A. 1; Student Leader Corps 1; Drama Club 1-4; Teen Aides 3,4; Biology Club 2; American Field Service Club 4.

Roberta is a girl with a truly buoyant personality and a variety of interests. She has been particularly active in the American Field Service program. During her junior year, Roberta was hostess to Anny Bloch, the AFS exchange student from France. This year, she is a member of the newly formed AFS Club.

Roberta also enjoys home economics and such activities as skiing. After graduation she is going to junior college to learn more about home economics.

The boy with the biggest smile at Webutuck is Lew. Like all his many friends, he has a great sense of humor with an added attraction—respect for everyone.

In his spare time, Lew enjoys bowling. Also among his hobbies is driving "his" Cadillac. During school he enjoyed playing on the soccer team.

College at Albany and then a career in business and accounting is Lew's future.

Judy is rarely seen without George, but on those rare occasions she can usually be seen scurrying about the halls on important business. During her years at Webutuck, she has held many offices and can always be depended upon to finish what she starts.

Judy always seems to be able to find time to have fun with her many friends. She is never without a smile to reveal her gay personality. This fact has helped in making her a cute cheerleader. We predict a land of sunshine in her future.

SUSAN LANE SCHIFFER

Susie has a winning combination—an enviable petite size, attractiveness, and a marvelous ability to make friends with everyone. Though she is seldom heard during her class periods, her lunch periods always seem to be filled with laughter, for, no matter where she is, Susie's heart of gold inevitably shines through.

Susie is good in everything she tries from sports to music. But, her main interest is "having fun". After graduation, Susie would very much like to further her education in a junior college.

RANDALL PAUL SIMON

Transferred from Arlington Senior High School. Intramurals 3,4; Drama Club 4; Basketball 3; Soccer 3,4; Baseball 3,4; Radio Club 4; Varsity Club 4.

Randy, like most of the other boys at Webutuck, loves cars and everything about them. When he isn't working, Randy is almost certain to be seen driving a Rambler. Athletics also interest him greatly.

After graduation, Randy would like to join Uncle Sam's forces. Perhaps a little further in the future there lies a career as a trooper for Randy.

Transferred from Oliver Wolcott. Intramurals 4; Student Council Representative 3; Class Vice-President 4; Basketball 3; Court of Honor 3; Student Council 3.

JAMES EDWARD SIMONTON

Although Jim is the shortest boy in this year's Senior Class, he certainly seems to have a big future ahead of him. Jim is an ambitious boy and plans to become a draftsman after graduation.

Because of his interest in sports, Jim was a member of Webutuck's varsity basketball team this year. Sports, though, are not the only things that take up Jim's time. Cars and his job at the Depot Market keep him pretty busy too. All in all, Jim just plain likes to have fun.

Carol certainly knows her ABC's. Her motto may very well be: Always Buddy and Carol. Actually Carol does not have a one-track mind. She is an excellent student and plans to attend college. Carol is also very active in extra-curricular activities. This year she is the Drama Club president.

Carol has became a familiar sight in Delson's department store where she worked last summer and now works Fridays and Saturdays. All in all, she is a wonderful person and friend.

CAROLYN ELIZABETH SMITH

When not in school, Charlie can be found busily making thick milk shakes at the Dairy Queen in Millerton.

Charlie is a good sport no matter what the situation. He can take a joke as well as play one, and he can be depended on to add a zestful spark of enjoyment whenever things seem to be getting dull.

After graduation, Charlie wants to become an accountant. His knowledge of bookkeeping made him a great manager of the Senior Magazine Sales campaign. Charlie is bound to have a bright future.

ALEXA M. THORLICHEN

Alexa's poise, intelligence, charming manners and attractive features make her one of the most outstanding members of our class. In 1962, she was a new student at Webutuck; by 1964 she was the president of the Senior Class.

As Grand Duchess Glorianna in *The Mouse That Roared,* Alexa reigned over a fascinated audience during Webutuck's annual play in 1964.

Alexa is enthusiastic and helpful in everything she does. Her German background provides her with a European point of view from which the entire class profits.

A smile on her lips and a song in her heart will always be the words to describe Gail. As queen of her Junior Prom and of the 1964 Fall Festival, she was truly royalty in every sense of the word. She was a popular queen, and the word "revolution" was unheard of among her loyal subjects.

Gail always seems to be where the action is. She likes sports, adores animals of all sorts. But, most of all, she likes people and the fun she has when she's with her many friends.

ABIGAIL M. TREVOR

WILMA ELVIRA VIGANO

Wilma will long be remembered at Webutuck for her enchanting dimplied smile, her cheerful disposition, her fabulous European wardrobe, and most of all for her superior scholastic achievement.

Wilma resembles any other typical American senior, and it isn't until you hear her speak with her charming Italian accent that you realize she is our exchange student from Sesto San Giovanni, Milan, Italy.

Smoke Signals; Class Secretary; Honor Society; Student Council; History Club, Vice President; A.F.S. Club, President.

Wilma says she is certain she will never forget American History class. Everyday of her life in America, Wilma reads the *New York Times* and has become one of the most informed students on current events.

She likes hot dogs, fried chicken, sneakers, Beatle records, bermuda shorts, "American pizza", and America in general.

Come June, we at Webutuck will join in saying, "Arrevederci, Wilma."

Smoke Signals 1; Intramurals 1; Chorus 1,2,4; Teen Aides 3,4; Volleyball 1,2.

Linda is taking a business course and is planning to get a secretarial job after graduation.

In her high school years, Linda has participated in Teen-Aides, chorus, volleyball and softball. Her favorite subject is shorthand. In her spare time, one might see Linda driving around in her father's car. Her other interests include cooking, sewing, and swimming.

LINDA JOYCE WARNER

MARY DIANE WARREN

Student Leader Corps 4; Chorus 1,3,4; Teen Aides 3,4.

Mary has always seemed like a quiet girl, but she is full of spirit. She has participated in Teen-Aides for two years and has served as secretary this year. She has also been active in chorus and intramurals. Outside of school she enjoys riding around in a blue and white Corvair. After high school Mary plans to be a beautician.

JUDY DIANE WEINSTEIN

Greeting someone in the hall with a friendly "hello—how are you?" has always come naturally to Judy. That's how Judy gains her numerous friends and followers. She's always eager to pitch-in and cheerfully give a helping hand when there is extra work to be done; and people always seem to be happy to have such a good worker among them. Because of her ability to do such good work, Judy has been accepted into the National Honor Society.

Webutuck will be losing a very wonderful person when Judy leaves.

The Student Council endeavors to create and to further a democratic government. It exists solely for the benefit of the student body. Any student wishing to express his ideas or objections on a given subject may bring his problem to the council, and it will be considered and discussed.

A very important project of the Student Council is the American Field Service. For four years Webutuck has had foreign exchange students from various countries and hopes to send one of our students abroad in the near future. The Student Council also sponsors other activities including dances, assemblies, and trips. This year it has sponsored a talent show and an extremely interesting trip to the Museum of Natural History in New York City.

Smoke Signals

Front row: J. Canevari, E. Cole, J. Caroff, M. L. Owen, G. Rothstein. Second row: H. Campbell, G. Whitsitt, B. Aloan, M. Saunders. Third row: J. Canevari, L. Lindsay, B. Cook.

SMOKE SIGNALS, the official publication of Webutuck, is now in its fifth year. Its purpose is to keep the student body informed about the events that take place throughout the school year.

SMOKE SIGNALS gives the student a chance to write and to learn how a newspaper is put together. Many of the staff were surprised when they learned how much work is actually involved in the production of one issue. Therefore, besides being informative, SMOKE SIGNALS may help some students choose a career in journalism or photography.

Web Tide

The theme of this year's *Web Tide* is progress as represented by the art work on the cover and divider pages. This theme was chosen to remind all of us how quickly our high school years go by, and how each year brings new ideas and plans and changes old traditions and ways—all in the name of progress.

We have tried to recapture the events of the year and the lives of the students in school through pictures. We hope that this *Web Tide* will be cherished as much in the future as it is now, and that it will remind students of "their good old days" at Webutuck.

Front row: S. Schiffer, M. O'Brien, P. Decker, G. Rothstein. Second row: G. Whitsitt, H. Campbell, J. Caroff, M. Pitcher, J. Campbell, Y. Zernitt, R. Rothstein.

Teen Aides

Front row: L. Segalla, J. Deverman, M. Warren, S. Bagomolny, S. Schiffer, M. O'Brien, P. Decker, J. Weinstein, A. Hoffman. Second row: J. Kemmerer, J. Culligan, T. Day, L. Warner, D. Blanchard, B. Harpp, M. Pitcher, B. Owen, R. Rothstein, B. Aloan. Third row: J. Lyle, G. Franks, P. St. John, L. Conklin, K. Luks, G. Trevor, L. Kinney.

The Teen-Aides is a group of Junior and Senior girls. Its purpose is to acquaint the girls with hospital work. The Teen-Aides render service to the hospital and, at the same time, learn how to accept responsibility.

Teen-Aides work at Sharon Hospital on Thursday and Saturday nights and on Saturday morning. Each time, two Teen-Aides go for two hours.

The Teen-Aides are engaged in other activities as well. This year, they won a blue ribbon at the FFA Fair. They have also sponsored a trip to the Albany Medical Center in Albany and a guest speaker for the benefit of Webutuck students.

Library Aides

Library aides help Mr. Meffort, the librarian, and the Webutuck students. During eighth periods and study halls, the students sign passes, find books for other students and distribute reference material.

In addition, they type cards for books and magazines, fix shelves and books, file cards, and write slips for late books. Each library aide plays an important part in the daily existence of the library.

This year the library aides include: Ed Bronson, Dave Sherman, Mike Wells, Karen Giblin, Paul Lukens, and Jim Bliss.

D. Giblin, D. Sherman.

Drama Club

Front Row: J. Caroff, M. Moore, D. Giblin, S. Schiffer, M. O'Brien, P. Decker, J. Weinstein, G. Rothstein, S. Finkle. Second row: E. Cole, L. Lindsay, P. St. John, S. Williams, M. Pitcher, B. Owen, B. Aloan, A. Hoffman, R. Rothstein. Third row: C. Smith, J. Campbell, G. Franks, H. Campbell, M. L. Owen, J. Canevari, R. Simon, B. Cook, R. Rockefeller.

The most important activity of the Drama Club is the production of the annual Spring Play. The profits from the play are given to the Student Council to be used to sponsor an American Field Service student at Webutuck. Another activity of the Drama Club is to sponsor trips. For example, this year approximately one hundred students attended Shakespeare's *Taming the Shrew* at the Shakespearean theater in Stratford, Connecticut.

National Honor Society

The purpose of the Webutuck chapter of the National Honor Society is to encourage scholarship and to promote honor in all fields. Members, who are chosen by scholastic averages, receive a membership certificate and a torch pin, the symbol of the Honor Society.

This year the Honor Society has begun a tutoring system. Members are helping other students in French, Latin, chemistry and history. Both students and tutors have said that they are pleased with the program.

In January, the members of the Honor Society went to New York City to see the play *High Spirits.* In the morning, they visited the Guggenheim Museum and saw an exhibit by Alexander Calder. After the theater, they enjoyed having dinner at La Fonda del Sol. The Honor Society has indeed experienced many moments of combined learning and fun.

Front: row: E. Cole, J. Weinstein. Second row: C. Smith, J. Canevari, H. Campbell. Third row: R. Delamarter.

Chorus

Front row: J. Brower, B. Coons, P. Decker, N. Davis, M. Bierce, B. Harpp, Y. Bernitt, J. Kemmerer. Second row: M. Moore, J. Weinstein, D. Giblin, G. Rothstein, M. J. Conklin, L. Lindsay. Third row: M. Warner, M. Warren, A. Hoffman, J. Selfridge, C. Van de Bogart, M. O'Brien, S. Schiffer. Fourth row: D. Barlow, R. Delamarter, W. Brown, C. Snyder, G. Rassman.

This year, twenty-nine Webutuck students have found enjoyment in group singing. These students are the members of the high school chorus. As members of the chorus these students learn about the appreciation, quality, and meaning of music as they sing various types of songs.

The chorus has participated in assemblies and sends representatives to the County Music Festival. Its main activity, however, is the Spring Concert.

Band

The Webutuck Central School Band is under the guidance of Mr. Harvey this year. The music and instruments range from the soft, melodic note of the flute or oboe, to the deep voice of a bass drum or the forceful pitch of kettle drums.

It always has a cheerful note with which to greet its audience as it passes to and from an assembly.

Radio Club

The Webutuck Amateur Radio Club was organized in 1962 and has flourished ever since. The club has created such an interest in "Ham" radio that the membership has almost tripled since its innovation.

The club has gained the status of having a licensed amateur station under its name. Though the ideal of the club is to have as many members with "Ham" licenses as possible, the graduation of members makes this goal difficult to achieve.

With Mr. Fullerton's guidance, the leadership of the club officers and the enthusiasm of the members, the club continues to be a success.

F. F. A.

The Future Farmers of America was established in November 1920 as a national organization, and was given a charter of incorporation by an Act of Congress in 1950.

The F.F.A. itself is a voluntary membership organization of boys who are students of vocational agriculture. It supplements the regular instruction by providing opportunities for leadership development and cooperative activities. Programs of the F.F.A. are designed to stimulate the students in their study and work toward successful agricultural careers.

Among the many F.F.A. activities at Webutuck are the Parent and Son Banquet, State Convention Camp Oswegatchie, Crop Demonstration, Fall Festival, Public Speaking, Project Tours, Radio Programs, and field trips to farms, agricultural industries, and colleges.

Student Leader Corps

Front row: D. Giblin, M. Moore, G. Rothstein, J. Weinstein, C. Cummings, D. Doughty, C. Culver. Second row: J. Kemmerer, J. Canevari, H. Campbell, G. Whitsitt, J. Rossman, M. Newman, G. Carr, P. St. John, J. Lyle, L. Lindsay, M. Pitcher, B. Owen, J. Campbell.

The Student Leader Corps was organized for the following reasons: to develop positive leadership ability in its members and to provide assistance in girls' physical education classes.

Throughout the school year, the Corps girls are responsible for the morning announcements. They also serve as ushers for such school activities as the Spring Concert, the F.F.A. Fair, and Commencement exercises in June. They also, as is the purpose of the Corps, gain important leadership ability by leading exercises during the girls' gym classes.

History Club

The History Club, formed in November of 1964, is an interesting and unique organization. It exists not for gaining funds, but for the edification and enjoyment of its members. Some of its activities are debates, discussions, lectures, movies, and trips to sites of historical interest. The club is extremely worthwhile and invites any senior high school student to join.

G.A.A.

Front row: D. Giblin, M. Moore, S. Bagomolny, S. Schiffer, M. O'Brien, P. Decker, C. Cummings. Second row: L. Lindsay, L. Segalla, D. Doughty, S. Williams, M. Pitcher, B. Owen, J. Canevari. Third row: L. Kinney, P. St. John, H. Campbell, M. Rougeau, M. Bierce, Y. Bernitt, D. Money. Fourth row: G. Franks, M. Smith, G. Whitsitt, M. L. Owen, M. Saunders, C. Lindsay.

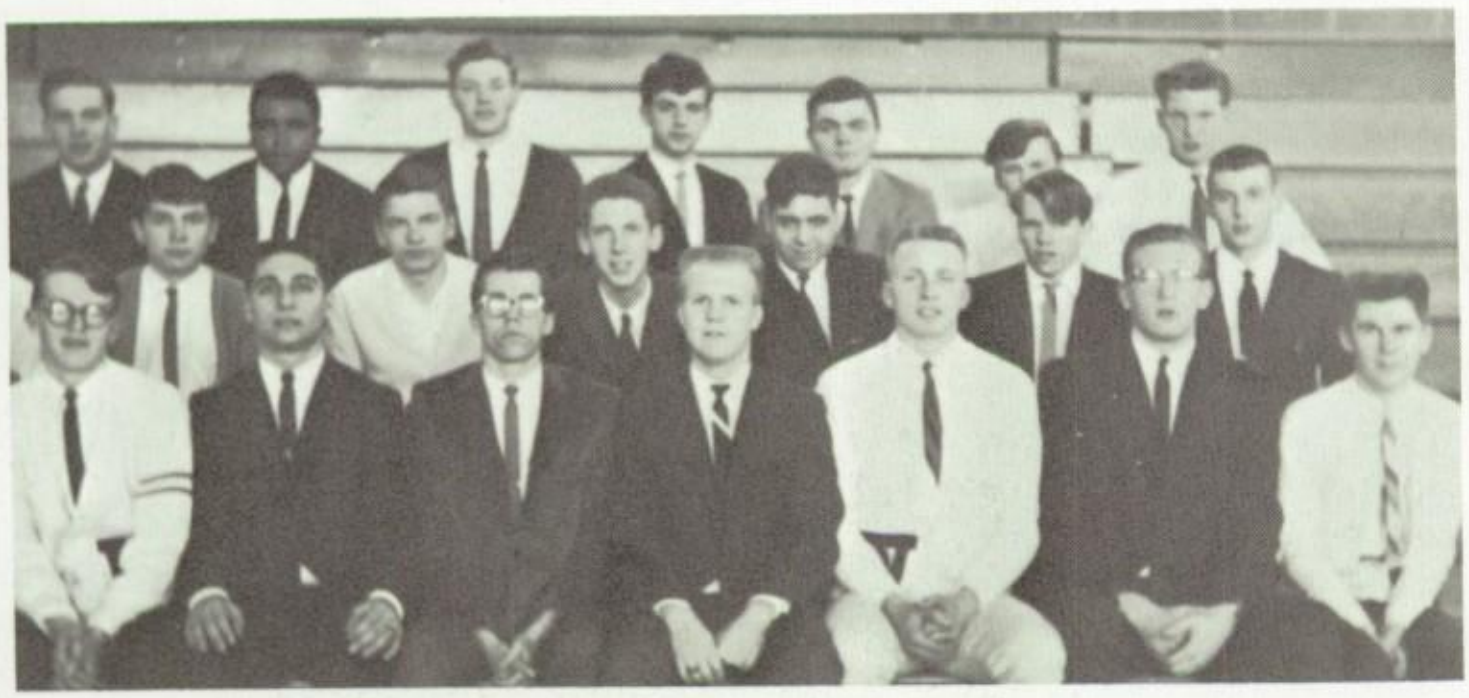
The Girls' Athletic Association is an organization whose membership is made up of girls who have participated in any one sport throughout the year eighty per cent of the time.

The purpose of this organization is to join girls together and to develop a sense of good sportsmanship and fair play among its members.

Each grade is represented on the G.A.A. Council by two girls who are elected at a meeting held at the beginning of the school year. Officers of the organization are also elected at this time. The G.A.A. assumes the responsibility for choosing girls' teams, scheduling their games and their extracurricular sports activities.

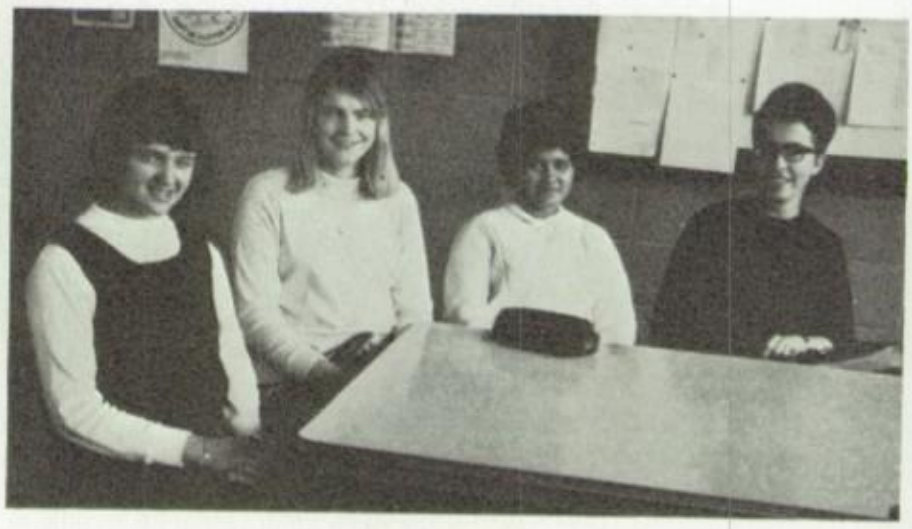
Varsity Club

The Warriors' Varsity Club is a new organization created this year for the purpose of promoting good sportsmanship, school spirit, and active participation in all school activities. This club of lettermen hopes to be able to sponsor several dances as well as a number of other school activities in the near future.



Front row: G. Booth, P. Lawrence, C. Snyder, C. Lawrence, D. Duncan, J. Breen, A. Kniffen. Second row: J. Sawchuck, L. Lyle, M. Fitzpatrick, W. Mitchell, T. Ackerman, N. Ackerman. Third row: J. McEnroe, E. Spinner, J. McEnroe, P. Keefe, R. McEnroe, J. Kain.

A. F. S.



The A.F.S. Club is a new organization having been formed only this year. The membership is made up of students sharing an interest in the American Field Service program.

This year the A.F.S. Club has sponsored an A.F.S. week-end. During the week-end of March 13, 14, and 15, foreign exchange students from schools in the area were welcomed into the homes of Webutuck students. On Saturday evening, they attended a dance at school. On Monday, they attended classes and participated in an assembly for the student body. That evening, the students were presented to the parents at a P.T.A. meeting.

Biology Club

Front row: J. Caroff, R. Kastner, R. Ammann, R. Brickweddi, M. Booth. Second row: K. Culver, C. Cummings, L. Clark, J. Bliss. Third row: M. Newman, M. Smith, D. Thompson, P. Klein, J. Schultz, P. Thompson.

Although the Biology Club is one of the smallest school organizations, it is among the most active. This year, the main undertaking of the club has been to organize and sponsor the fourth annual Science Fair. With many hours of hard work and cooperation, it was termed a great success.

Included in this year's program was a trip to Howe Caverns and a fascinating film called "The Leaf Thieves." Dr. Lukens attended a club meeting as a guest speaker and informed the club of the many ramifications of the veterinarian profession.

Through its course, the club has given those interested in Biology a chance to seek and find a deeper meaning in the life that fills the earth. Science is truly the key to discovery.

A. F. S.

Dear Friends,

I am very glad to have the opportunity to address to you an open letter through our Yearbook.

First of all, I want to thank you very much for giving me the opportunity to spend this unforgettable year at Webutuck. The experiences I have lived will surely be one of the most important and happy of my life, and I am evermore grateful to you as I think that all of you, even the ones I didn't get in touch with, are a fundamental part of this experience.

The first days I spent at Webutuck seemed strange and very different from the ones I used to live at home in Italy. But little by little, with your help, I have learned to understand and to appreciate American students and American schools. All the extra-curricular activities, from the fun of the basketball games to the controversial discussions of the history club, have meant a lot to me; I was not used to them, and I have appreciated and enjoyed them fully.

Now that my year with you is coming to an end, I only hope to have been able to give to you at least a part of what you have given me.

Thank you very much again, and I want to say good-bye to you with the hope of seeing you again sometime and somewhere.

So long to everybody. Arrivederci.

Your exchange student,
Wilma Vigano

F.F.A. Festival

A cast of beautiful girls. From left to right: Kim Culver, Karen Aloan, Claire Barlow, Gail Trevor, Bernice Fitzpatrick, Lorraine Clark, Debra Money.

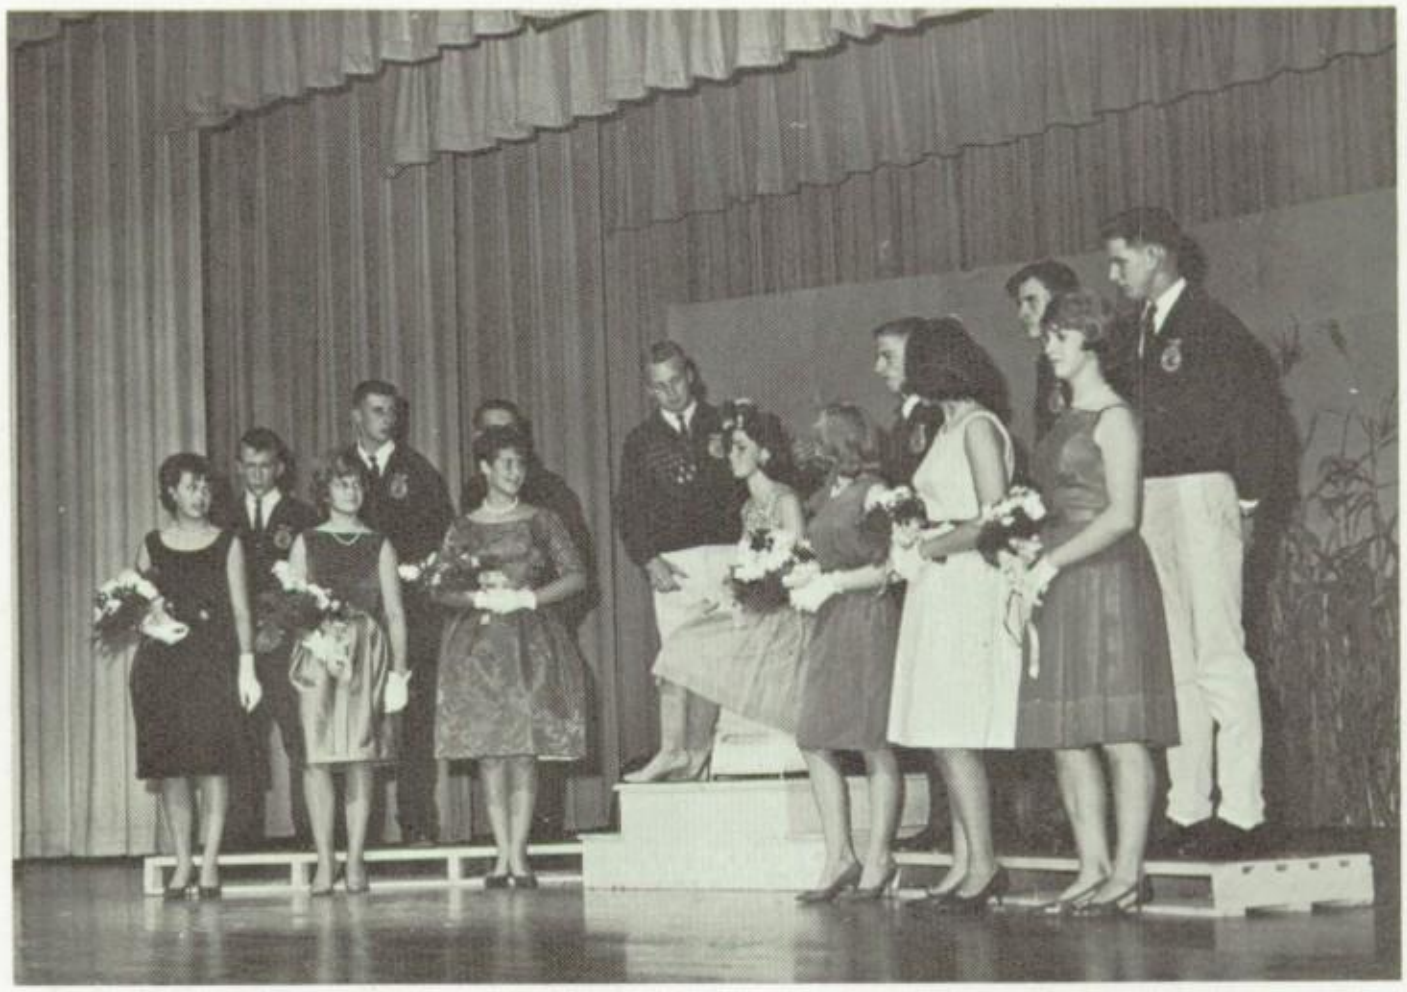
This October 9 through 11 marked the fifth annual Fall Festival for the Webutuck chapter of the F.F.A. This year's theme was "Project: Progress." It opened Friday on a running note as Webutuck met Cardinal Farley in a soccer game that ended in a 1 to 1 tie score. That night came the high point of the Fall Festival. The queen, Gail Trevor, was crowned to the delight of all, and a majestic queen she was. Queen Gail was surrounded by a court of six lovely Webutuck girls: Lorraine Clark, Debra Money, Bernice Fitzpatrick, Claire Barlow, Kim Culver, and Brenda Aloan. On Friday the school was also a showcase for a large number of exhibits.

Saturday was the day scheduled for all dairy competitions. Students of Webutuck showed their talents in showmanship as well as in such events as tractor driving.

Sunday, the eleventh, the Fall Festival moved to the Bit and Spur grounds in Amenia for the horseshow which was the final note to the fifth annual F.F.A. Fall Festival, another highly successful endeavor of our F.F.A. boys.

Everyone helped to make the Festival a success.

The happy queen proudly awards the prizes.



The crowning moment.

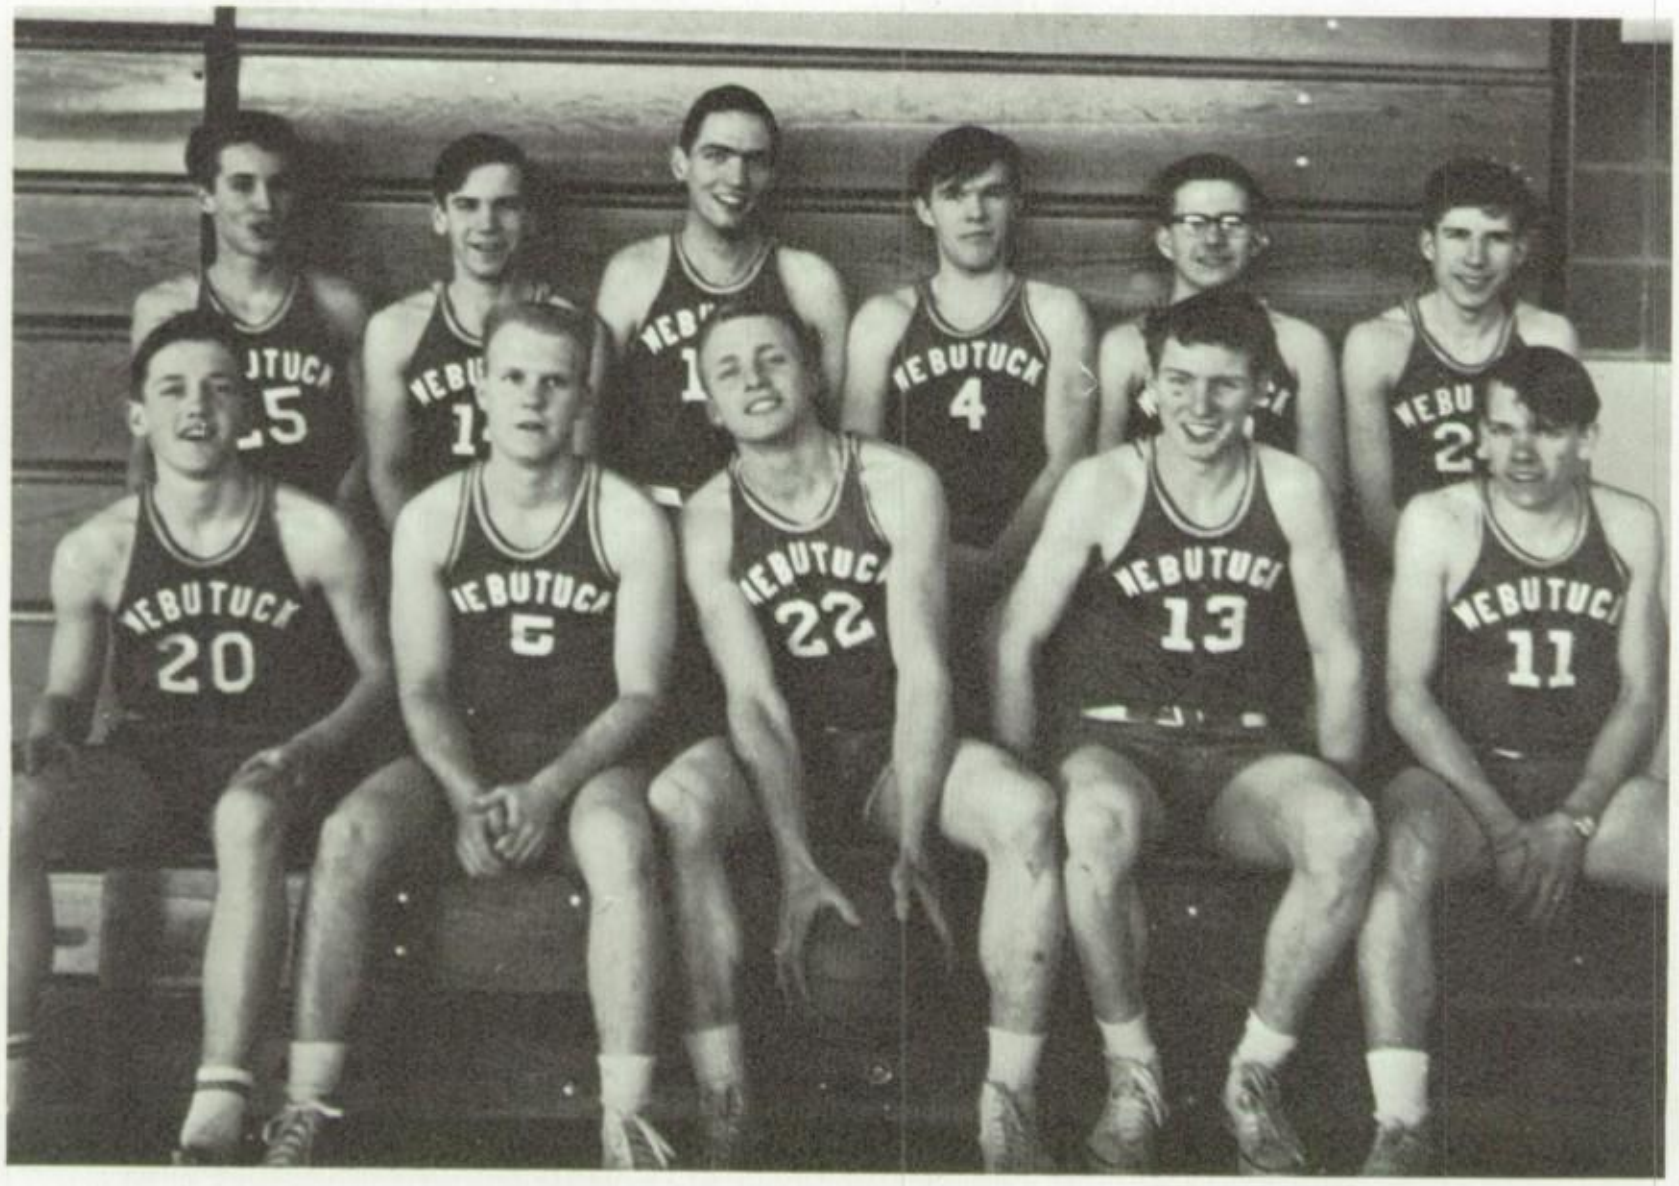
Webutuck	4	CFMA	3

This season, the Webutuck Warriors fought fiercely gaining two victories as well as one tie. They suffered their nine losses gallantly. Although this record wasn't as good as past years', the team refused to become discouraged over their defeats and came charging back to win the last game after a hard battle.

High scorers during the season were: Mike Doughty with 4 goals; Steve Pitcher, John Tompkins, and Bob LeMere with 3 goals each; and Butch Booth with 2 goals.

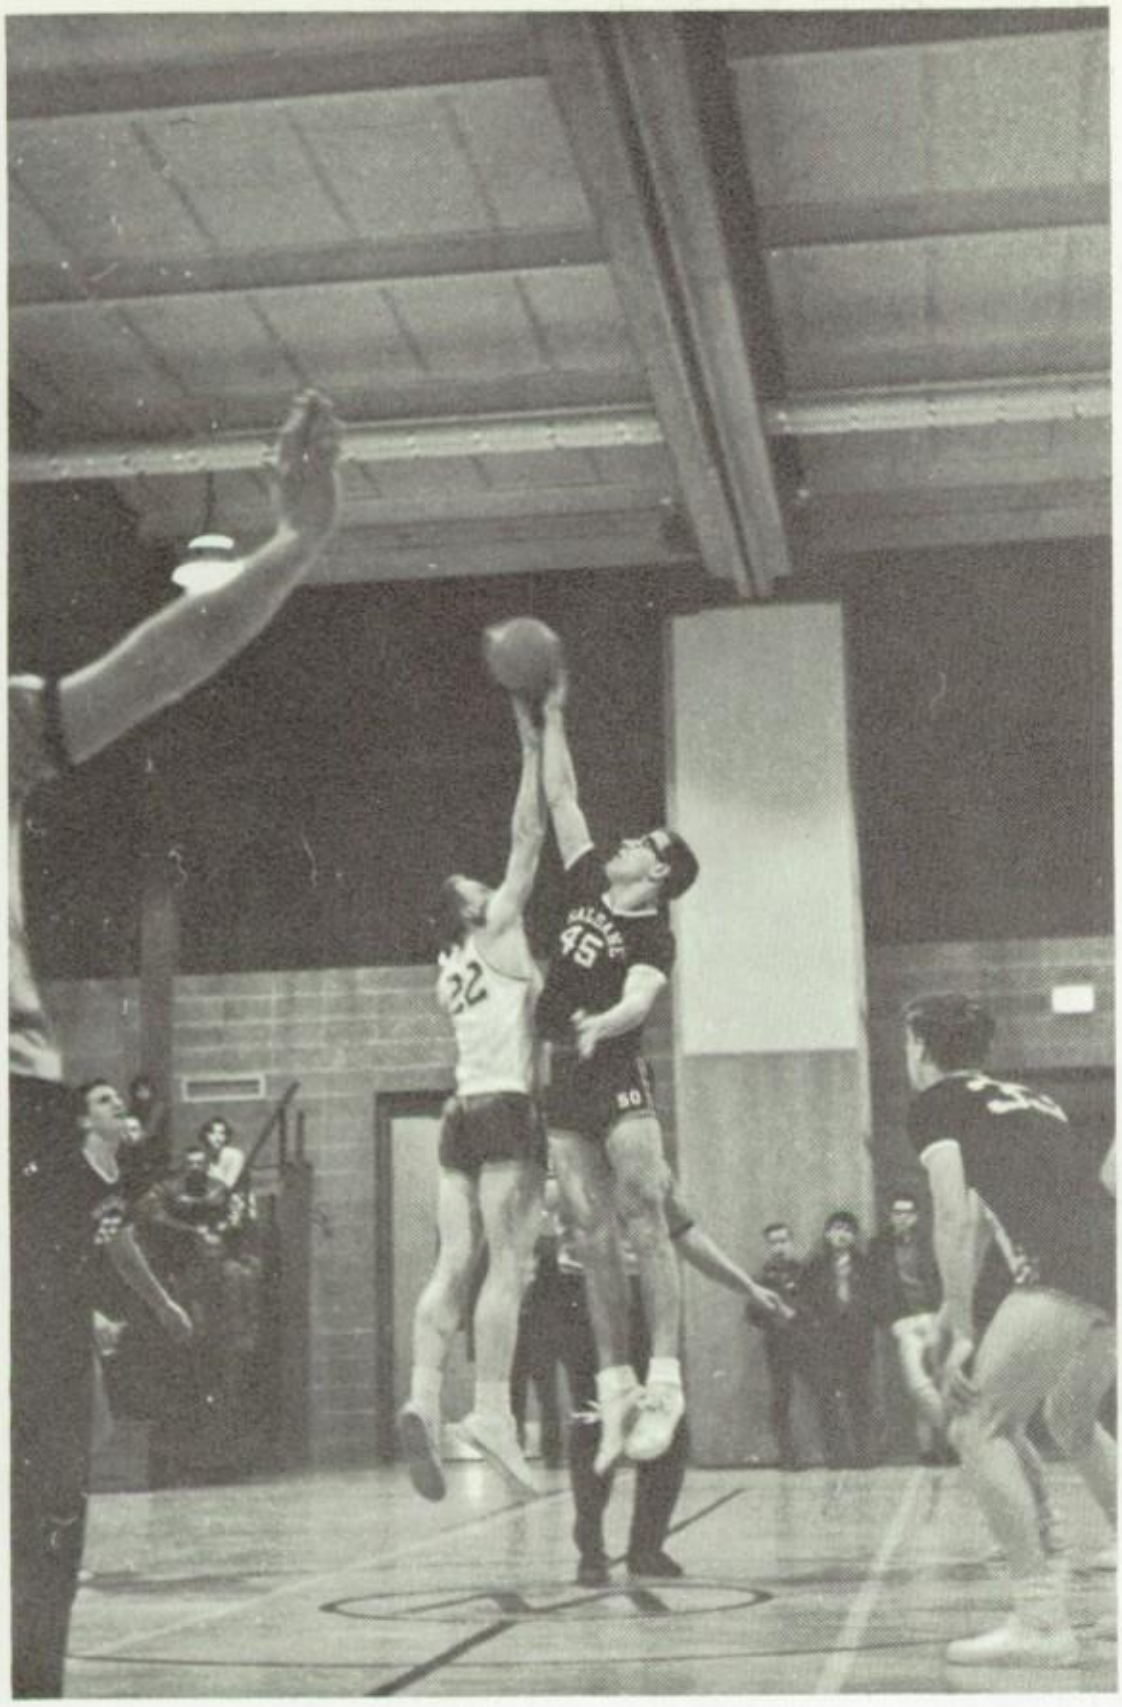
Basketball



Front row: M. Booth, M. Doughty, C. Lawrence, P. Lawrence, R. Conklin. Second row: E. McEldowney, D. Duncan, R. Rockefeller, C. Howard, J. Schultz, T. Downey.

This year the Webutuck Warriors had one of their roughest seasons yet. Though they suffered a number of losses, our boys played their best, showing good sportsmanship, a sense of fair play, enthusiasm, and a great deal of energy.

The boys, of course, were disappointed by their losses, but they still gained the satisfaction and thrill of meeting the demands of their competitive sport.



Basketball

Front row: P. Thompson, R. Lemere, D. Thompson, W. O'Brien, L. Selfridge. Second row: J. Kain, P. Keefe, J. Campbell, T. Foley, D. Barlow, P. McEldowney. Third row: R. Lind, J. McEnroe, G. Hoffman, J. O'Dell, R. Fischer, J. McEnroe.

Cheerleaders

Front row: L. Segalla, D. Doughty, M. Moore, J. Ayala, S. Beckwith, C. Mylock, C. Booth. Second row: K. Luks, J. Kemmerer, L. Clark, C. Culver, G. Whitsitt, R. Brickwedde, G. Carr.

The cheerleaders are a basic ingredient at the boys' basketball games. Their job consists of cheering the Webutuck Warriors onward, as well as instilling school spirit in the crowd. As a squad, the cheerleaders add not only enthusiasm, but also color and atmosphere to basketball games both home and away.

The Curse

Where ever you run,
Where ever you hide,
The hex of the Black Hand
Will run by your side.

No matter how long,
No matter how fast,
The curse of my magic
Shall spring from your past!

(Of course, I am kidding.
You realize that, dear --
Stop cowering, Paul,
You've got nothing to fear.)

Someday when you're famous,
A doctor of flies,
I'll think of you fondly
With tears and with sighs.

I'll remember you always,
You've been quite a friend,
Your memory will stay,
Although it's the
end.

Love,
The Black
Hand
